# The Basics

**Turn On:**  
Press and hold the power/mode button until you hear the battery percentage.

**Turn Off:**  
Press and hold the power/mode button until you hear 4 beeps.

**Turn Volume Up:**  
Press the volume + button.

**Turn Volume Down:**  
Press the volume - button.

# Getting Started

## 1. Unpack

Remove the headphones from the packaging and check components.

## 2. Charge

Plug the USB cable into the charging port.

Unplug when the battery light turns green.

## 3. Connect

Turn on the headphones.

Hold the power/mode button until the bluetooth light is flashing.

Select your headphones in the Bluetooth menu of the device.
